Job Description

Create written content for <https://goodistanbulguide.com/> [1] media assets – including but not limited to: team web site, social media sites, game program and newsletters.

- Generate short-form, blog-style digital content

- Research and develop story ideas.

- Manage process of sizing and uploading photos to the team digital properties.

- Make swift editorial decisions and write clean and precise copy.

- Work closely with internal departments to promote team initiatives.

- Maintain an active social media presence.

This position allows you to work remotely.

The Good Istanbul Guide site contains all the information you can find about Istanbul. Istanbul's history, food, places to visit, socializing opportunities, culture, people, and you can find a lot of information such as geographical structure. We have also added shopping centers, locations, prices and tricks that will help you when you know about the city.

As a city that has been home to many states and cultures, Istanbul has a very rich heritage. It is a very attractive city with its historical buildings, culture, and history. In addition, it is a beautiful mosaic that remains between modernization and historical texture. In addition, since it hosts a very high number of tourists every year, it is the fusion point of different cultures.
